# PRÍNCIPE DE ASTURIAS Restaurant

---

In our kitchen, we prepare gastronomy that cares for the planet and respects the environment. In addition, our teams, through their best practices, are committed to making a positive impact on the environment.

A large selection of the dishes on our menu are made with local, seasonal products, fruit and vegetables grown according to the natural cycle of the seasons and from organic farming, species-friendly fishing and meat from certified sustainable livestock farms.

Our suppliers have the following certifications:

Global Gap: Good agricultural practices and respect for animal welfare.

MSC: Certified sustainable fishing.
