

Dear client, in our Spa you can enjoy a true wellness experience.

In our Wellness Circuit you can enjoy the benefits of water bathed by natural light and a garden to enjoy.

In order to have a complete experience we have a wide menu of services: massages with different techniques and duration, therapeutic and relaxing. Special techniques.

All our massages are performed with vegetable oils and essential oils of the highest quality.

We collaborate with different high quality and prestigious cosmetic companies:

*** Hora Sexta; we will have tailor-made facial and body treatments, where biotechnology is the base in each of them. Exclusive Mediterranean raw materials applied as luxurious jewels on the skin, without synthetic fragrances or coloring, without petroleum derivatives.*

DISCOVER THE NEW LONGEVITY IN YOUR SKIN.

*** Sisley; facial treatments adapted to every need and circumstance.*

Phytotherapy and aromatherapy together with research make this firm a great reference in skin care.

*** Guinot; technology and efficacy for that first step as important as cleansing and detoxification of the skin. Products made with the maximum precision and rigor.*
